A Tribute to Polly Buchanan

Polly Buchanan

This Annual report is dedicated to the service and memory of Joan "Polly" Buchanan.

Joan began working as a Processing Assistant for Jackson County Department of Social Services in October of 2001.

She steadily climbed into the position of Administrative Officer in August of 2016.

This position is responsible for helping the Director develop the annual budget and helping all the staff stay within those financial guidelines. The budget of DSS is a complicated animal and it requires careful attention to detail and a firm hand to keep everything balanced. Joan had both in spades.

Joan worked hard, even when she didn't have to and worked often when her health should have prevented her from being in the office. She was dependable and honest. She knew the work we do here at DSS is meaningful and important to our community.

Joan struggled her whole life with her health and we know now that she is at peace and playing and laughing and doing all the things her worldly limitations would not allow. We miss her and we thank her for all she did for this agency and the community.
